TO ALL SUPPLIERS

SUBJECT: Bonded Warehouse Items

1. Under your call type contract we may from time to time procure items for consignment to the Bonded Warehouse area.

2. It is requested that your requirements for Bonded stocks be transmitted to the applicable Depot in duplicate on the form attached. The Depot will either furnish the equipment requested or issue a Production List against your call type contract.

3. Contractor supplied material will be furnished to the Bonded Warehouse on a receiving inspection report. Four copies of the receiving inspection report signed by authorized contractor personnel, whose names and signatures are on file with the C - O -, will be forwarded to the applicable Depot for counter-signature. Three copies of the counter-signed report will be returned to the Contractor who will attach one copy to his Invoice submitted for payment. The fourth copy will be retained by the Depot.

Very truly yours,

Dan
